Study Plan – A.A. 2017-18				SSD	curricula	CFU	Advance CFU ⁽²⁾	CFU		Year (1-2)
								Substained ⁽³⁾	To be substained ⁽⁴⁾	
	System	S	<input type="checkbox"/>							
	Mechanics	M	<input type="checkbox"/>							
	Electronic	E	<input type="checkbox"/>							
	Individual	I	<input type="checkbox"/>							
1st Year	Innovative Materials with Laboratory			ING-IND/21	M-S	6				
	Kinematics & dynamics of mechanism			ING-IND/13	E	9				
	Robot Mechanics			ING-IND/13	M-S	9				
	Mechanics of materials and structures			ICAR/08	E	9				
	Digital Electronics			ING-INF/01	M	9				
	Power Electronics and Electrical Drives			ING-INF/01	E-M-S	9				
	Internal Combustion Engines			ING-IND/08	E-M-S	9				
	VLSI Circuit and System Design			ING-INF/01	E-S	9				
	Feedback control systems			ING-INF/04	M	9				
	Nanotechnology			ING-INF/01	S	6				
	Thermodynamics and Heat transfer			ING-IND/10	E	9				
	Analogue Electronics			ING-INF/01	M	9				
	<i>optional course⁽⁵⁾</i>				E-S	6				
	<i>optional course⁽⁵⁾</i>				S	6				
2nd Year	Electronics of IoT and embedded systems			ING-INF/01	E-M-S	12				
	Electronic Devices and Sensors			ING-INF/01	E-M-S	9				
	Control of Industrial Systems			ING-INF/04	E-M-S	9				
	Measurement Systems for Mechatronics			ING-INF/07	E-S	6				
	<i>optional course between: Control of Non-Linear Systems</i>			ING-INF/04	S	6				
	<i>Control of Electrical Machines</i>					6				
	<i>optional course⁽⁵⁾</i>				M	6				
	<i>optional course⁽⁵⁾</i>				M-E	6				
	Internship					6				
	Final Exam					12				
							TOTAL CFU⁽⁶⁾ 120 minimum			

1. **Studente fuoricorso:** University student who has not passed all his exams within the prescribed period of time.
2. **Advance CFU:** Is it possible to do in advance exams of the second year. Fill with the number of credits on the exams to do in advance, or leave empty the cell.
3. **CFU substained:** fill with the number of credits of the exams substained.
4. **CFU to be substained:** fill with the number of credits of the exams to be substained.
5. **Optional course:** choose from all the exams of Engineering programme (Italian/English) or from other programmes regarding your study path.
6. **TOTAL CFU:** The Study plan can exceed 120 credits.
